

# Central Minnesota Contract Manufacturing Services, Inc.

An ISO 9001:2008 Company since 1994

---

CMCMS, Inc. is an experienced low cost solution for full turnkey contract manufacturing. We can help you with your product from concept all the way to order fulfillment or with any of the steps in between. We customize production areas, create fixtures, and set up processes to fine tune the production of your product lines. CMCMS, Inc. staff have been serving the manufacturing needs and saving money for fortune 500 companies since 1967 with 190,000 sq. feet of specialized production and warehousing space. Our Goal at Central Minnesota Contract Manufacturing Services, Inc. is to consistently exceed our customer's expectations. Let's talk about your production needs...

Please contact Roger Clarin, President & CEO, with any questions or inquiries you may have at:
