

Experienced Contract Manufacturer

42 years of Quality Product and Performance

Gorecki Manufacturing, Inc

An ISO 9001:2008 Company since 1994

Gorecki Manufacturing, Inc. is an experienced low cost solution for full turnkey contract manufacturing. We can help you with your product from concept all the way to order fulfillment or any of the steps in between. We can customize a production area, create fixtures and set up processes to fine tune the production of your product.

Gorecki manufacturing, Inc. has been serving the manufacturing needs and saving money for fortune 500 companies since 1967 with 224,000 sq. feet of specialized production and warehousing space. Our Goal at Gorecki Manufacturing, Inc is not to meet the customers expectations but to exceed them.
